Track your Entrepreneur Adventure

Each time you read *Ten Dollar Adventure*, use the worksheet on the prior page to keep track of your journey with Daphne. Start with the red boxes for your first reading. When you make a choice for Daphne, enter the code (1, 2 or 3) corresponding to the chapter you selected in the associated red box. For example, if you chose to have Daphne ask for flowers in return for helping Mrs. Gable, the code for the selected chapter **Barter for Blooms!** is **3**. Enter this code in the corresponding red box **3**.

Then visit TenDollarAdventure.com/Track to save your achievements (anonymously!), and celebrate the money and cool stickers Daphne earned with your help. See the amazing collective earnings from fellow young entrepreneurs joining the fun from all across the globe on our live tracker!

And here's a special tip: To keep a unique record of your personal achievements for each adventure, the website will give you **three magic words**. Write them down on page 79 of the book—they are your secret key to remembering all your journeys!
